Worksheet #2

MISSING SIDE OF RECTANGLES

Learning goal: Students will be able to find the missing side of rectangles from given area applying the correct formula.

Answer

2. Area = 50 cm^2 , Breadth = 5 cm. Find the length.

Answer

TM

3. Area = 63 cm², Length = 7 cm. Find the breadth.

Answer

4. Area = 32 cm², Breadth = 4 cm. Find the length.

Answer

5. Area = 90 cm², Length = 10 cm. Find the breadth.

Answer

6. Area = 40 cm², Breadth = 5 cm. Find the length.
